

## **Transportation at Cathedral**

Parents,

Cathedral offers a transportation service that provides one option for students needing transportation to and from Cathedral on a daily basis. The cost of Cathedral's transportation service for the whole year is \$625.00 (Marion County pick-up/drop-off locations) or \$900.00 (pick-up/drop-off locations outside of Marion County), and this amount will be billed to your account. No refunds or credits will be given for those who sign up and then do not ride regularly. Families wishing to use the transportation service must commit to the annual fee, regardless of usage.

Because space is limited, we ask that families please register, using the form below, as soon as possible. Stops (pickup and drop-off locations) are limited primarily to business locations or parishes in your area. Because of the distance each bus travels, we cannot stop at individual residences. Please reference the attached route schedule for the 2015-2016 school year. Note that locations and times likely will change slightly on an annual basis.

Once we have received most requests, we will establish the routes and notify every family who has signed up. Letters of confirmation, with the routes and schedule included, will be mailed by the first week of August. If you have questions regarding Cathedral's transportation services and/or would like to discuss possible routes, please feel free to call me at (317) 289-3963 or email me at kkaufman@gocathedral.com.

Ken Kaufman  
Director of Transportation
