## Cathedral Athletics and Extra-Curricular Activities

Information nights for various sports and activities will take place throughout the spring semester. The following information will be helpful for future student-athletes:

- Cathedral requires all student-athletes and their parents to register with Final Forms to complete and sign documents required for athletic participation. Registration will be available in late spring using the student's Cathedral email address.
- Cathedral requires that all student-athletes have a current IHSA PPE physical (performed on or after 4/1/2023) prior to beginning any pre-season practice, workout or conditioning session. An on-campus physicals night will take place in late spring.

## Tuition and Fees

The enrollment contract includes the tuition of \$16,950 and freshman student activity fee of \$675. Tuition and fees do not include an iPad, books, uniform, course fees (if applicable), lunches, or optional bus service.

- In March the Business Office will send all enrolled families the steps to set up a FACTS student billing account. This is required for all students.
- There is no fee if a family chooses a payment plan. Families paying tuition and fees in full by September 1, 2023 will receive a \$300 discount. Pay in full discount applies only in cases where the student's tuition (after financial aid) is 50% or more of the published rate.

Families who have completed applying for Tuition Assistance via FACTS will be notified by December 1 of their award. To begin the application process and for FAQs visit [gocathedral.com/tuitionassistance](http://gocathedral.com/tuitionassistance).
